CENTENARY GENTS

1987 BASEBALL

THE TRANS AMERICA ATHLETIC CONFERENCE

AN AUTOMATIC BID

Trans America Athletic Conference baseball playing schools have a little extra incentive to win the league championship this spring. The TAAC regained its automatic invitation to the NCAA Tournament starting this season, after a four-year period (1983-86) without the bid.

"Having the automatic bid is a big lift," said Centenary coach Andy Watson. "Every game is important, and now the league games will take on more significance. The bid will also help in recruiting because most kids want to play where they can participate in a playoff (NCAA) format."

The winner of the TAAC Baseball Tournament, to be held at the site of the Eastern Division Champ on April 30th through May 2nd, will go to the NCAA's. The top two teams in each division meet in a double elimination format to decide the 1987 TAAC Champion.

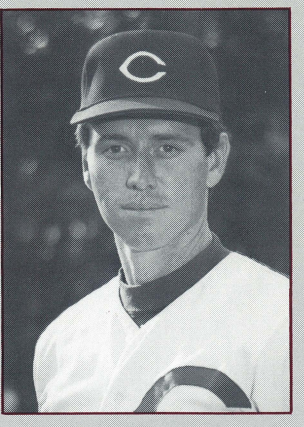
HEAD COACH
ANDY WATSON



ANDY WATSON
Ht: 6-1
Wt: 190
Birthdate: 7-31-60
Marital Status: Married
Hometown: Guthrie, Oklahoma

In June of 1984 Andy Watson became the eleventh baseball coach in Centenary baseball history upon the retirement of the man he played for as a Gent — James Farrar. Watson served as Farrar's assistant for two seasons after he finished his playing days at Centenary and professionally.

Watson played one season of professional baseball with the Pittsburgh Pirates Class A affiliate Greenwood, South Carolina. He was drafted in 1982 by the Pirates in the 14th round as an infielder.

At Centenary, the Guthrie, Oklahoma native holds two records: home runs in a season (13) and career runs scored (121). Watson, who started for four consecutive years, is also high on the list of numerous other career batting categories.

Now 26, Watson graduated from Centenary in May, 1984 with a B.S. in Physical Education. After two seasons at the helm of the Gent program, Watson owns a 54-53 overall record.

"Coach Farrar was the man responsible for building our program to where it is today, both on and off the field. My job the last two years has been to try to build on that foundation and I think we've worked hard at doing that."

"I know I'm still considered a young man to be a head coach at my age (26) at the Division I level," added Watson, "but I look at it as an advantage rather than a disadvantage. I understand the players' lingo and the pressure placed on them both in the classroom and on the field."

Watson married the former Laura Luff in January of 1986.

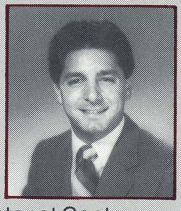
PAT BOORAS SPORTS INFORMATION DIRECTOR



In his third year as the Sports Information Director at Centenary, Pat Booras handles all media and publicity releases of Gent athletes.

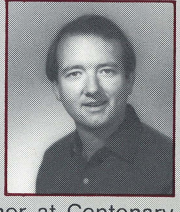
Booras officially joined the Centenary Staff in September of 1984, but his ties with the school and its athletics began in 1979. As a Centenary student, Booras worked in the sports information office for four years, traveling with the Gent baseball team as its statistician.

Booras, 25, graduated with honors from Centenary in May of 1983 with a bachelor's degree in accounting. He worked for Roberts, Cherry & Co. CPA's until his appointment at Centenary.

A native of Shreveport, Booras covered high school football in the Shreveport-Bossier area from 1978 to 1984 for *The Times* and still occasionally free lances. Booras worked with KRMD Radio in 1983 as an analyst for its high school football broadcasts, and in the spring of 1985 his daily sportscast aired on KVKI Radio.

Booras has also handled the play-by-play broadcast of numerous Centenary basketball games on KEEL Radio the past two years.

KEN ROGERS TRAINER



In 1986, Ken Rogers became the head trainer at Centenary College. Rogers brought eight years of training experience at the college level to Centenary. He graduated from the University of Southern Mississippi in 1974 and earned a Master's in Physical Education at Indiana State University the next year.

Rogers began his training career in 1975, while enrolled at Indiana State. He then took a position as Equipment Manager and Training Room Assistant at Southern Mississippi, which he held for two seasons. In 1977 Rogers went to LSU as Assistant Equipment manager. He was a member of the Tiger staff for five years.

GENTS ON KSCL (91.3 FM) RADIO

For the sixth consecutive year Centenary baseball games will be broadcast on KSCL Radio, 91.3 FM. Pat Booras and Kent Lowe make up the Centenary broadcast crew as they provide insight and entertainment as well as the play-by-play for 16 Gent games this season. Games to be aired during the 1987 season include contests with LSU, Louisiana Tech, Northeast, Northwestern and TAAC rivals (Hardin-Simmons and UALR).

All games to be broadcast are the first games of doubleheaders, when applicable. Try to make it out to all the Gents' home games this season, but if you can't be sure to tune in to KSCL Radio, 91.3 FM, for all the exciting action of college baseball.
